

The Essex Regional Retirement System is seeking a **Senior Retirement Counselor**, responsible for the management and processing of superannuation and disability retirement applications, and the monthly refund warrant. The starting salary range for this position is \$85,000 to \$95,000 per annum, with the potential for partial remote working options. A full position description is available on the News and Announcements Page of the retirement system's website, www.essexregional.com. Interested candidates should send their cover letter and resume to Charles E. Kostro, Executive Director, at ckostro@essexrrs.org. Interviews will begin immediately, and this position will remain opened until filled.
